48H DE L'OBSTACLE

Saturday 11th and Sunday 12th
November 2023

Invite your guests to two prestigious events in a stunning setting

On the edge of the Bois de Boulogne, Auteuil racecourse is the perfect setting for a unique corporate event. Encourage your clients and colleagues to discover this magnificent jumps racing venue by inviting them to a cocktail reception or gourmet dinner.

The year's most heroic horse racing event

In May, Auteuil racecourse hosts one of the world's most thrilling horse races, part of a weekend of high-octane action on France's most prestigious jumps racecourse.

Ever since the race was created in 1874, jockeys and their mounts have had to display remarkable qualities to triumph in this event. They must tackle a record distance of 3 miles and 6 furlongs, dotted with 23 huge obstacles. Just the tiniest mistake, and it could all be over!

A prestigious jumps race

In November, the 48H de l'Obstacle is a second crack of the whip for unlucky participants in the Grand Steeple Chase de Paris, which takes place in the spring.

This exceptional event includes 15 races - 4 of which have Group 1 status, the highest category of horse race - and features the world's top jockeys and horses.
