A focus on the Racing Club

The screenshot shows a webpage titled "BECOME AN OWNER" with a sub-header "Racing Club". On the left, there is a navigation menu under "RACING CLUB" with links for: "What is a Racing Club?", "How to join a Racing Club?", "How to create your own Racing Club?", "Services offered by France Galop", "THE PROCESS STEP-BY-STEP", and "LIST OF LAW FIRMS AND CHARTERED ACCOUNTANTS". The main content area is divided into sections: "What is a Racing Club?" (describing it as an "Ecurie de Groupe"), "How to join a Racing Club?" (explaining the process of contacting managers), and "WHY JOIN A RACING CLUB?" (highlighting three benefits: becoming a player in a sport full of emotions, living a unique adventure with friends, and limiting financial risks). Below this is a list of "EXISTING RACING CLUBS" with contact information for FRBC.

As the “Racing Club” formula (shared ownership) is very popular with potential owners, the new page focuses primarily on this type of ownership. It offers information on existing Racing Clubs and explains the procedure for creating your own Racing Club.

Racing Clubs that would like to feature in this section can send their request to the Ownership development department – FRBC by email: frbc@france-galop.com

Online approval procedure explained step by step

Another section deals with recurrent questions from potential owners regarding the online approval procedure by detailing the five steps to follow, in order to obtain the necessary approval, both for an individual and for a legal entity.

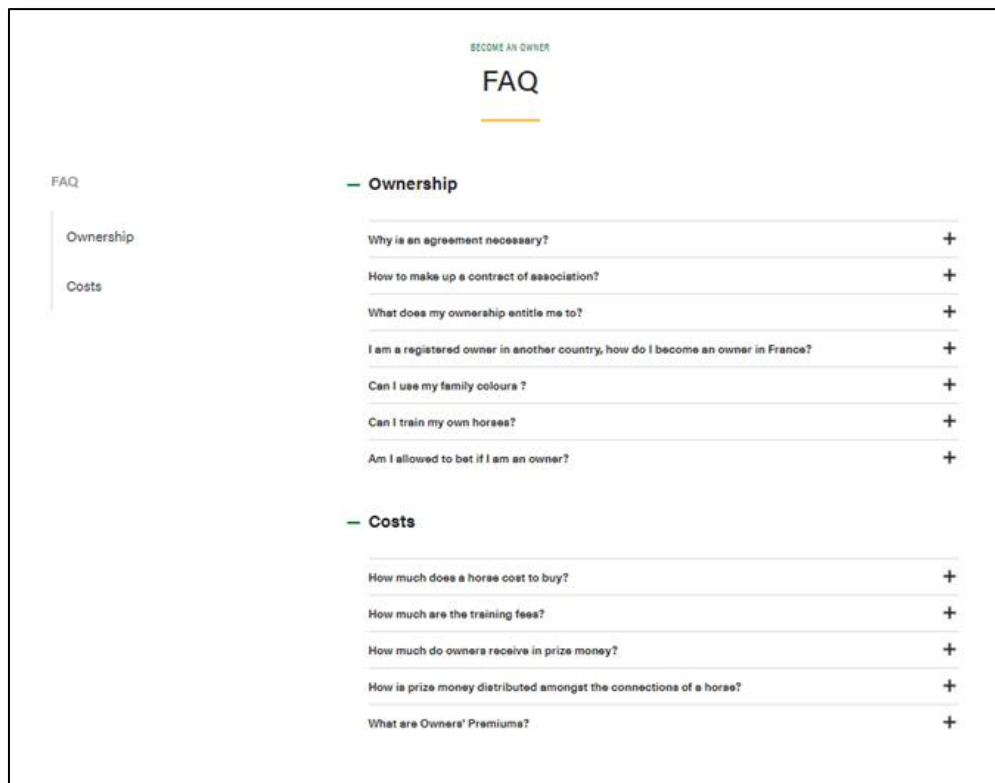

To start the procedure, all you need to do is create your own account and fill in the online forms. As soon as the forms are validated, they will be processed by the relevant France Galop department.

Please note that all the forms are available in French and English.

The screenshot shows a webpage titled "Obtain your agreement" with a sub-header "BECOME AN OWNER". It details the online approval process in five steps: 1. Create your account online, 2. Documents to provide, 3. Choose your colours, and 4. Validating your application. The page provides specific instructions for both registered companies and individuals, including contact information for Dariusz Zeranajski, Head of Licensing Department. It also lists the documents required for approval and the options for choosing colours (Silk Owner or Associate).

A new section with all the other information

A frequently Asked Question (FAQ) has been created for trainers, breeders, bloodstock agents or other professionals in the industry who quickly need information to answer enquiries from existing owners or a potential owner who wants to know how to proceed and what costs are involved in the process. This tab will be expanded in the following weeks.

If you have further questions.....

A "Contact" tab has been added to this page, allowing you to talk to a dedicated team member about a specific subject. In this context, the FRBC ownership development team is at your disposal by mail: frbc@france-galop.com or by telephone on +33 1 49 10 22 67.
