JEUXDI EVENINGS ATTRACT NEW SPECTATORS TO HORSE RACING

The last JeuXdi events in 2019 (before Covid) attracted 90,000 spectators. "JeuXdi by ParisLongchamp" evenings are particularly popular with students and young adults who are fascinated by the sheer speed of the horses and the power of the jockeys in the final straight, which is exactly what they look for in terms of excitement.

The new JeuXdi season is eagerly anticipated by this crowd that has wholeheartedly embraced these very original evenings.

In fact, according to a Goudlink survey that was carried out among ticket buyers for these get-togethers. Nearly 90% of the people present at the racecourse confirmed that they were interested in horse racing and 95% said they appreciated the general atmosphere.

In addition, 84% of attendees said they would like to participate in other events organised at the France Galop owned racecourses.

BOOKING IS HIGHLY RECOMMENDED as dates sold out last year!
