PROGRAM – The first events of the 2024 season

The 2024 season is off to a great start with a series of "Family Day Out" dates, a firm favourite with the kids. This year, France Galop Live has programmed 30 dates that take place at the five France Galop racecourses.

▪ Auteuil racecourse, Sunday, 31 March : 7 000 chocolate eggs for our young spectators

To mark the opening date of the 2024 "Family Day Out" season, the Auteuil racecourse celebrates Easter Sunday, 31 March, by handing out 7 000 chocolate eggs to our youngest spectators. Kids can also indulge for free in their favourite attractions on this fabulous day of racing and entertainment.

▪ ParisLongchamp racecourse, Sunday, 7 and 14 April : A wide range of free entertainment

The « Family Day Out » is back at ParisLongchamp for the school holidays. Spectators can enjoy the unique atmosphere of horseracing, the wide open green spaces and the 100% free attractions, including a wooden merry-go-round, pony rides, bouncy castle, a journey to discover the world of horse racing.

Parisian racecourses, a sought-after venue for corporate events

With a record 564 professional events in 2023, the ParisLongchamp, Auteuil and Saint-Cloud racecourses have cemented their position as one of the most sought-after venues for corporate events in Paris. Thanks to the versatility of the site, corporate events can take place on race days, as well as on non-racedays. Hence, the ParisLongchamp racecourse can host the REF du Medef (meeting of French entrepreneurs) as well as an AC/DC concert !

Companies looking for unusual settings for their events, including product launches, client seminars, internal conventions, congresses and gala events... are seduced by this very unconventional site that sits in the middle of a vast green space.
